

## Canned Drinks Vending Machine

Robust, long-lasting and easy to use, with a large capacity. This unbranded can vending machine can be filled with drinks from several manufactures.

*Images are for illustrative purposes only*

- Large, lit product display panel and eye-catching design.
- Universal extraction system developed for PET bottles, combined with column association programming. Easily change product and price decals, which means the machine is the best way to vend cold drinks.
- Galvanised steel body, anti-pry door surround, steel selection buttons and a three-point door anchorage with high security lock makes vandalism difficult and protects your profits.
- Vending modules are simple to prepare with convenient product case support.
- A+ Energy Rated.
- LED low energy lighting. I-Detect guaranteed. Super insulation properties.
- Machine Dimensions (mm): H1830 x D1495 x W890
- Weight: 280kg
